All Backflow Assembly Testers (BAT) are required to notify the Water Division a minimum of 24 hours prior to testing. All certified BAT's, not included on this list, must provide a copy of their current BAT certification and test kit calibration certification, and City of Ephrata Business License to:

City of Ephrata – Water Department  
 121 Alder Street SW  
 Ephrata, WA 98823  
 Telephone: 509.754.2009  
 Fax: 509.754.9301

All test reports must be sent immediately to the City of Ephrata Water Department, at the address listed above for our records.
